

Willow Construction, LLC Announces that Project Manager Katie Reedy and Superintendent Mark Winstead Receive Healthcare Construction Certificates (HCC) from the American Hospital Association (AHA) Certification Center

For Immediate Release (Easton – April 2011)

The American Hospital Association (AHA) Certification Center is proud to announce that Katie Reedy, Project Manager, and Mark Winstead, Superintendent, both with Willow Construction, LLC have earned their Healthcare Construction Certificates (HCC). The HCC is awarded through the American Society for Healthcare Engineering (ASHE).

To earn the HCC, an individual must complete a workshop that combines a pre-requisite e-learning program and a two-day seminar that educates attendees on critical topics in healthcare construction. By earning their HCC, Katie and Mark have demonstrated a level of healthcare construction experience along with a commitment and desire to improve their awareness, knowledge and understanding of the healthcare construction environment and therefore improve the quality of patient care.

Further information may be obtained by visiting the ASHE website at www.ashe.org.
